EXTERNAL COWL GRILLES

The Foley Grille offers a modern, unobtrusive alternative to traditional plastic exterior cowls. With a robust aluminium body, powdercoated in one of three standard colours, the grille will not discolour with exposure to UV light.

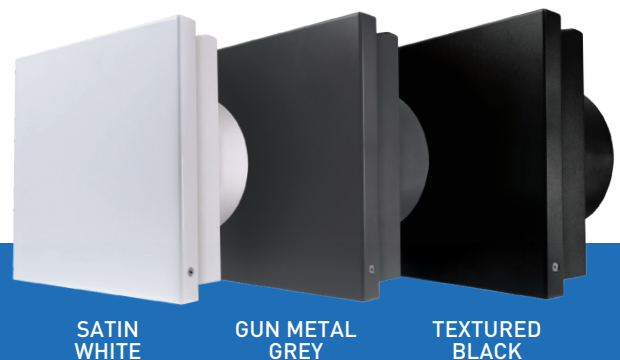

Personalisation is available with custom powdercoat colour options.

<p>Minimum 15 year lifetime to match requirements of other cladding components as defined in the NZBC B2.</p>	<p>Airflow tested with system resistance testing info and graphs available by request.</p>	<p>Sound tested to ISO7235 &amp; ISO3741 standards in an accredited sound reverberation laboratory.</p>
<p>Simple and clean design to complement all buildings.</p>	<p>We can match to a range of Dulux colours, so you can feel comfortable matching your exterior façade.</p>	<p>Designed, manufactured, tested and quality checked in our Christchurch office.</p>
