

# DE NIRO

## DIRECTIONAL LED DOWNLIGHTS

- Set of four downlight styles sharing a common module and driver, that twist and click into the different fascia styles
- Gimbal adjustment feature to suit angled ceilings or directional lighting applications – 25° Tilt
- The De Niro Range is IC-4 rated and can be covered and abutted with approved insulation materials with 0mm clearance to timber
- Quality tested in-house: heat testing (IC rating) and flicker testing
- White, silver and black options
- Low Glare version also available
- 3000k and 4000k versions available, up to 92lm/w output
- 5 Year Warranty

**VYNCO** LIGHTING
