

AKS Distance Gripper Clamp

CE

Areas of application:

For retaining single pipes with a fixed distance from the wall with the least effort and greatest time efficiency. Every Schnabl EC Euro clip can be attached to either side of the AKS clip. The AKS distance gripper clamp is suitable to be mounted on/in concrete, full brick, hollow brick, aerated concrete; not to be mounted on/in wood or soft insulation material.

Installation guide:

- Drill a 6 mm Ø hole
- Insert the AKS in the hole
- Push the pipe into the clamp
